

## Rumah Makan Restaurant

"My partner and I visited the restaurant for lunch from our nearby villa. It was extraordinary. From our very first bite we were gushing superlatives - beautiful, fresh produce, plucked straight from the garden; sensational flavors and attention to detail; a lush, gorgeous setting; friendly staff. This is the best meal we have had in Bali (and we've had some great ones!) and I highly recommend it to anyone visiting the Canggu or Seminyak areas. Outstanding!"
